

DISTRICT ATTORNEY BANCROFT OF CAMBRIDGE SAYS:
'WE WILL PROSECUTE'

5 Days Ago It Was "We," Now Ryan Says "I" AM OWNER OF EQUITABLE

**Sensation in Wall Street by the
Declaration in Letter to
Cleveland**

New Chief Says His Control of Society Is His Own and Absolute.

By Boston American Leased Wire.
NEW YORK, June 15.—Thomas F. Ryan, in a letter addressed to Grover Cleveland, Morgan J. O'Brien and George Westinghouse, trustees, says:

"I am the sole owner of the 502 shares of the stock of the Equitable Society which I purchased from Mr. Hyde, and no other person or interest has contributed, or has the right to contribute, a single dollar toward the purchase of the stock. * * * I am under no obligation to any living man with respect to my action as the owner of the stock."

Five days ago, in speaking of the control of the Equitable, Mr. Ryan said: "We own the Hyde stock."

Ryan's letter to former President Cleveland and the other trustees caused a sensation in Wall street to-day equalled only by the declaration of District Attorney Jerome that Equitable officials and directors are generally as guilty as Larry Sumnerfield, and ought to be hanged like him in Sing Sing.

It was declared in Wall street to-day that Mr. Cleveland had been misled by Ryan's statement, which was that he and associate policyholders had purchased control of the Equitable, into accepting the position of trustee with Supreme Court Justice Morgan J. O'Brien and George Westinghouse.

Jerome May Proceed.
In the light of Ryan's latest revelation it is expected that Mr. Cleveland will withdraw from the trusteeship. In the light of Mr. Jerome's speech at the dinner of the Merchants' Protective Association, it is expected also that criminal proceedings may be instituted.

In the first flush of moral enthusiasm over the Equitable deal, James Haxen Hyde, who sold the stock to Mr. Ryan for \$2,500,000, declared that he had made it a condition of the sale that the stock should be held in perpetual trust.

Mr. Ryan's letter to Mr. Cleveland shows that he does not regard it in that light.

Mr. Jerome in his faying of the Equitable directors and officials declared that they had managed to keep out of section No. 28 of the legal code.

Impossible to keep out of section 28 is impossible to keep out of the line between acts forbidden by that statute and their acts.

There is the same moral element in the action of the Equitable directors as there was in the case of Larry Summer-

"In connection with some other policy holders, who, like myself, have never had any relations with the Etoile except as policy holders, I have purchased from Mr. Hyde a majority of the stock of that society. WE have made this purchase not only in the interest of the policy holders, but for the general business interests of the entire country."

Policy Holders in Doubt.

Policy holders of the Equitable Life Assurance Society are in a quandary over the results of a recent audit of the company's books. Mr. Ryan given the true and actual facts is the question asked.

Mr. Ryan further says that he paid Mr. Hyde the sum of \$2,000,000 in 1907, and that he had paid him \$100,000 in 1908. In the audit of the Equitable franchise E. F. Hyde was found to have received \$100,000 from Mr. Hyde. Hyde just doubts that amount for his part.

Mr. Ryan said that the syndicate headed by George Gould was the one that had paid Mr. Hyde for the stock. Mr. Hyde liked who refused this offer.

Mr. Ryan said that he had his stock to Mr. Ryan for one-half the amount that Mr. Hyde had paid him.

Hyde really sold out?

If so, is there any more to be paid in the contract by which the stock is to find Mr. Hyde back to Mr. Hyde when Equitable is sold?

Mr. Ryan said that he had paid Mr. Hyde at the same figure for which he sold it.

On a Safer Basis.

These questions were asked in Walnut street after the announcement made by Mr. Ryan that he became public. There is a feeling that Mr. Cleveland and his associates will remain in office long enough to carry out the plans for putting the Equitable on a safer basis and when their term is done the city will be better off.

The trustees have organized with Mr. Cleveland as Chairman. Soon after the chairman arrived at the Buckingham where he engaged a suite, he sent for

Sergeant Gordon, Who Was Charged With Exerting Improper Influence in Securing Evidence Against Prominent Politicians, Is Exonerated by Mayor Daly—Assessors' Office Probes Mystery of Missing Papers

Despite the fact that the registration papers mysteriously missing from the vault of the Cambridge Board of Assessors are considered evidence of the utmost importance in the case, the nine men charged with aiding illegal registration and false swearing will be brought to trial.

Assistant District Attorney Hugh Bancroft, replying to a question whether the cases of Montgomery and Keane would be tried, in view of the fact that the original papers containing their vouchers for John Lavin and Downing were missing, said:

"The cases will certainly go to trial."

Further than that statement, the district attorney's office will discuss the prosecution of the alleged election frauds with no one.

Mayor Daly was asked what he would do in connection with the missing papers.
